

# Our Work

We teamed up with kitchen products innovators for their designs.

We've joined forces with the most famous historical yet modern 'Peshawari chappal' brand to revolutionize the Pukhtoon tradition.

Our One of the hit collaborations with an educational platform igniting child's social and academic success.

Our successful effort in designing creatives for a company that manufactures medical equipment's.

**AYECo.**

## Crafted a company's profile and business cards helping them shape their export operations smoothly.

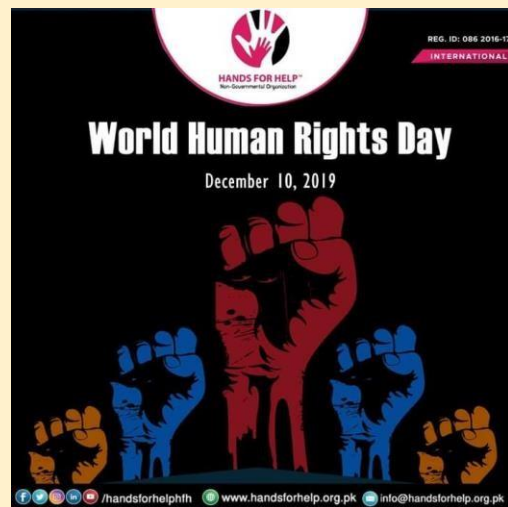

We are glad that we were part of a startup in creating it's UI, that deals with the First aid delivery through drones.

You must have heard that, "Compassion is the greatest currency of change." We are thrilled to be part of a charitable organization as their design team.

Our design creatives for a skincare brand embodying the essence of radiant transformation.
